Jon:

We were assigned these questions to provide responses regarding the GKM response. Dan and I were able to provide information, in most instances, for the entire response. But, some may need a bit more with regard to New Mexico and Utah.

Would you please give this a quick review and provide any additional detail you feel needed for NM and Utah?

Sorry for the request for quick turnaround. Can you get it back to me by EOB Thursday (10/15)?
